

To the potential sponsor,

Marsden State High School is the comprehensive secondary school of choice in the Logan/ Beaudesert area with approximately 1600 students. Students attending Marsden State High School have the opportunity to be involved in a **Football Excellence program**. Football is a timetabled subject for years 8,9 and 10 that aims to develop game skills, decision making, physical fitness, nutrition awareness and an overall greater understanding of the game. As the **ONLY** school in the Logan/Beaudesert area that offers students this unique study option the program has grown from strength to strength in its short but successful two year history. We have both male and female Under 15 sides entered in the National Bill Turner Cup Competition together with Under 14 and 15 male and female futsal sides entered in the National Dalponte Futsal Championships. The current cohort of year 9 classes will be the first to continue their footballing studies through to senior schooling allowing us to enter successful sides into both the state wide competitions; Red Lion Cup and Uhlspport Cup. Each of the tournaments that the Marsden Football Program enters receives local print media attention. As we are the only Football Excellence school in the district the under 15 and 19's male and female Logan District Sides that attend annual Regional Championships are made up primarily of our Football Excellence Students.

Currently the program is financed through player levies alone. To continue to develop the program further we are seeking financial assistance that will allow our already successful Football Program to continue to grow to be successful. Teams require regular bus transport to a range of venues as well as equipment, first aid, officials, fitness equipment and playing kits. Any funding would ease the burden on students and allow the program to offer scholarships for outstanding local players. It is our endeavour to use your sponsorship money to help keep and grow **local talent**, raising the profile of Football in the Logan/Beaudesert area.

There are three annual sponsorship options that are available:

Gold Level Sponsor – (Two positions ONLY)

\$2000 / year

- No other business in your industry will be approached/ required for gold or silver sponsorship.
 - A framed and labeled Marsden Mako's football jersey for presentation in your workplace
- Sleeve signage on all playing kits (two kits worn at LEAST once every week during the term – kits also worn to over 4 National Football / Futsal competitions for both male and females)
 - Front page Signage on the Marsden Football website (linked to school website)
- Full front or back signage on all player training kits and kit bags (approximately 80 kits in 2009)
 - Sleeve signage on all coaching staff polo shirts
- Invited as a 'Special Guest' to the Marsden State High School Annual Sports Awards evening where the Senior Footballer, Junior Footballer and Futsal player of the year are presented
