

MARSDEN

STATE HIGH SCHOOL

VISION

Our vision for the future...

Empowering Individuals ♦ Expanding Horizons ♦ Creating Futures

MISSION

Our daily purpose...

Individuals accepting *accountability* for...modelling a culture of consistency, high expectations (teaching & learning, behaviour, uniform) and continuous improvement to enhance the outcomes and positive reputation of Marsden SHS as the comprehensive secondary school of choice within the community.

VALUES

What we believe in...

Students must exit formal education with the knowledge and skills defined by syllabuses and also with skills to promote career opportunities and lifelong learning. Students at Marsden State High School are challenged and supported to achieve their full potential. To achieve this, students will be expected to attain their highest levels of self-discipline and motivation. The school will assist each student to achieve their maximum potential by modelling and promoting a climate of high expectations – learning, behaviour and uniform.

We value:

- Acquiring skills in literacy, language and communication
- Understanding mathematical structures and their relevance to the real world
- Developing problem-solving techniques
- Understanding the various, legal, civic and political responsibilities and rights in our society
- Developing technical and technological skills
- Learning the benefit of physical fitness, hygiene and health
- Developing and appreciating a range of creative and artistic styles
- Developing skills for quality life long living including:
 - respect for diversity and difference
 - accepting personal responsibility for our actions & self-control
 - developing an inquiring mind with the ability to critically question and argue rationally
 - perseverance and work ethic
- Respecting natural and built environments
