

Learning Support

Learning Support

The Student Support Centre offers a range of Learning Support services. For teachers and parents, we provide consultative sessions, modification in-services, and detailed information on students' learning needs. For students, the SSC offers the following services:

Case Management and Support Plans (modified programs of study and assessment for appraised and ascertained students)

In-Class Support for students with identified need

Reader/Writer Service for tests

Reading Workshop (corrective literacy programs for Year 8s)

Numeracy Programs

Innovative Programs (including the Blue Room Program and the ACE gifted and talented program)

Educational Assessments

Peer Tutoring

Breakfast Program

Lunch Programs for tutorial assistance

Year 7-8 Transition Program.

In 2004, Learning Support staff commenced a Study Centre as a hub for Learning Support services in the school and this will continue to be developed throughout this year.
