

Formal

All of the professional photos will be available to browse and buy through the Take Better Photos website by 24th Sept. You can buy the photos online either as an instant download or as a print. To see the photos:

Go to www.takebetterphotos.com.au and go to Galleries > Login to Private Gallery

Gallery ID: 09mssform

Gallery Password: 9fjle7d

The photos are mixed-up, so be sure to look through them all! Click the photos that you want, choose how you would like them, and click “Add to Cart”. When you have all the photos you want in your shopping cart, you can buy (“checkout”) your photos. You will be asked for a username and password – click on “New Customer”, make up a username and password and put in the details requested so that we can be sure the right photos are ordered for you. You can pay online by MasterCard or Visa card through our secure link with Westpac bank. After you enter your payment details you will be automatically redirected back to your own personal “my account and downloads” part of the website, where one click on the download button saves all the download photos that you bought to your computer in one go. Orders for prints will close on 16th October, and will be delivered to the school by 30th October. Thanks very much for having us at your Formal!

If you have any difficulties downloading photos, please feel free to phone or email us at Take Better Photos.
