Overview

Marsden State High School recognises as its prime obligation, the provision of access to an appropriate educational service for students whose principal place of residence is within the school's catchment area.

Due to enrolment capacity and growth Marsden State High School has limited ability to accept enrolments from outside the catchment area.

The School Enrolment Management Plan (School EMP) sets out the conditions under which students may be enrolled into Marsden State High School, subject to any other requirements or limitations in:

- The *Education (General Provisions) Act 2006 (Qld)*
- Please note within *The Education (General Provisions) Act 2006 (Qld)* the Expression of Interest is only valid for 12 months, however your application will remain on our school database for consideration.

This School EMP is support by:

- Enrolment in State Primary, Secondary and Special School procedure
- School Enrolment Management Plan (School EMP) procedure

Local Catchment Area

A school's local catchment area is the geographical area from which the school is to have its core intake of students. If there is sufficient spare capacity after reserving places for students who move into the catchment during the year; and after taking into account the school's projected future enrolment growth.

A catchment map defines the catchment area for Marsden State High School. *To view the School's Catchment Map (EdMap) and Enrolment Management Plan please go to our website at*

Upon receipt of your relevant documentation, your application will then proceed to the next stage of the enrolment process which includes the addition of your name to our Out of Catchment, Expression of Interest list. This will not be a guarantee of automatic enrolment. The Executive Principal is wholly responsible for all enrolment decisions.
