Proposed unit changes	Not applicable				

Factsheet - Partnership with Schools Program

Learning experiences	<ul style="list-style-type: none"> • Classroom and workshop • Mode of delivery – a blend of theory and practical activities using classroom resources in conjunction with online TAFE Queensland Connect learning management system where it is available. • Students must use personal protective equipment (PPE) for practical activities. The school will advise students of any compulsory PPE that will need to be provided by the student.
Assessment	<p>Assessment is competency based because it is directly related to work. Students must demonstrate knowledge and skills to the standard of performance required in the workplace. Therefore, no levels of achievement are awarded. Assessment methods include:</p> <ul style="list-style-type: none"> • Observation and oral questioning; and • Work samples / projects; and • Written assessment; and/or • Online assessment via the TAFE Queensland Connect learning management system.
Further study options	<ul style="list-style-type: none"> • Certificate III (apprenticeship) in a specialist automotive area • Certificate IV in Automotive Mechanical Diagnosis <p>Students will receive credit for equivalent competencies when completing further studies, such as in a related apprenticeship course.</p>
Fees	<p>This course is funded by the Queensland Government through the VET investment budget under the Vocational Education and Training in Schools (VETiS) program. Training is provided fee-free to eligible school students enrolled in Years 10, 11 or 12. Eligible students are entitled to one VETiS funded program on the Priority Skills List. Ask your school to confirm eligibility for VETiS funding.</p>
Further information	<p>The school's student assistance program is responsible for ensuring students receive appropriate levels of support during the course. Contact the school's Head of Senior Schooling or VET Coordinator for information about support services including language, literacy and numeracy, assistive technology, additional tutorials and assistance in using technology for online delivery components. Students will be provided with access to further information via TAFE Queensland's website, TAFE Queensland's Connect (Online) site or via the school prior to enrolment.</p> <p>For more information about VET in Schools, visit https://desbt.qld.gov.au/training/training-careers/incentives/vetis/faqs</p> <p>For enquiries about TAFE Queensland School Partnership Programs, please contact Melissa Eastaughffe, TAFE at School Coordinator (Partnership with Schools) on 07 3244 0790 or email: melissa.eastaughffe@tafe.qld.edu.au</p>
Third Party Agreement	<p>This is a two year course. Marsden State High School will ensure that the students under this qualification will be provided with the opportunity to complete the course in line with TAFE Queensland policies and procedures. Students who successfully finish the course will be issued with a nationally recognised Qualification by TAFE Queensland as the RTO. Students who achieve at least one unit (but not the full qualification) will receive a Statement of Attainment on request.</p> <p>This information is correct at time of publication 20 May 2020 but is subject to change.</p>
