School Overview

Marsden SHS is a great school with an excellent reputation. Since 1987, it has come to symbolise high quality public school education and has grown to over 2100+ students. Our school culture is founded on high performance expectations and personalised attention. Our core values of persistence, passion and pride underpin everything that makes Marsden so unique. Marsden offers a comprehensive learning environment led by passionate and engaging teachers working together to deliver outstanding achievements across the academic, sporting, cultural and creative industries fields. Marsden SHS has a strong sense of community and is able to offer individual attention to maximise the potential of all students. We are convinced that Marsden's balanced approach - between respecting our proud traditions and stimulating innovation and progress - will bring great benefits to students personally and professionally in the future. As a school community we are focused upon communicating strong academic and social values where everyone is encouraged to take responsibility for their own behaviours – the school is strongly focused on ensuring that each student has an opportunity to achieve their full potential by building a school culture that models and promotes high expectations of teaching & learning, behaviour and uniform. Essential to effective teaching & learning at Marsden SHS is a safe, supportive and disciplined environment that respects the following rights: The rights of all students to learn. The rights of teachers to teach. The rights of all to be safe.

The School takes pride in its culture where the Academic & Sporting Performance, Codes of Behaviour and Dress Standards support a strong Marsden State High School identity and school pride within Logan City. Our student population comes from an extremely broad range of cultural backgrounds and Marsden SHS is proactive in valuing the diverse contributions of each of these groups to the richness of school life. Students are drawn primarily from the local government area of Logan City that is bound by Logan Motorway, and Mount Lindsay Highways. A large proportion of students however travel a significant distance from locations outside of these boundaries to access the schools comprehensive range of Sporting and Academic Excellence Programs.

This is an innovative, proud and culturally vibrant school community where all students are challenged to work towards our vision – Dare to Inspire... Make a Difference! Being part of this passionate school community means that you are surrounded by possibility and superior opportunity every day. Discover the advantages of Marsden SHS and learn what it's like to be part of this unique community.

Principal's Forward

Introduction

This Annual report documents the school's achievements on a range of outcome measures for the last twelve months at Marsden State High School. Marsden SHS is the comprehensive secondary school of choice for students in Logan City.

The School takes pride in its culture where the Academic Performance, Codes of Behaviour and Dress Standards support a strong Marsden SHS identity and school spirit within Logan City. The school has an experienced and dynamic leadership team comprising over fifty support staff, over 150 teachers led by fifteen Heads of Department, three Guidance Officers, a HOSES, five Deputy Principals and an Executive Principal. The leadership team works with all staff in a collegial atmosphere where staff are challenged and supported to try new ideas to ensure continuous improvement. Strong and innovative partnerships and alliances with business, industry, government agencies and community organisations are a strong feature of Marsden SHS.

We are convinced that student's course of study at this school will bring great benefits to them personally and professionally in the future. Success at school involves a healthy combination of hard work and commitment mixed with fun and enjoyment. This is an exciting, comprehensive and culturally vibrant school community where all students are challenged to work towards our school vision. We value parental involvement in our school activities and welcome visits from interested members of the school community. Since 1987 the school has produced outstanding graduates whose education at Marsden has been an enjoyable and rewarding experience – an experience that has provided them with the skills to make significant and positive contributions at local, state, national and international levels. The following report provides you with a clear snap shot of our school's achievements.

School Progress towards its goals in 2016

- Ongoing development of evidence-based teaching practices through the implementation of the ASOT pedagogical framework.
- Successful implementation to develop ongoing professional learning of all staff members and the further development of a self-reflective culture focused on improving classroom learning and changing classroom practice.
- Continue to build a learning environment characterized by the engagement of students in challenging, meaningful learning in every classroom through the consistent implementation of policy, procedures and high expectations around student management.

- Further develop teachers' skills in the routine use of data so that they are self-reflective of their efforts in improving their teaching and in meeting school-wide targets.
- Ensure that there is a shared understanding of differentiation and that it is a feature of every teacher's classroom practice.
- Ensure the implementation of rigorous literacy and numeracy intervention strategies across all faculties and/or key learning areas.

Future Outlook

- Academic Excellence
- Writing, Inquiry, Collaboration, Organisation and Reading skills
- Staff development and performance
- Operational certainty and school values
- Engagement and attendance
- The new Senior Secondary System

** pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<http://deta.qld.gov.au/earlychildhood/families/pre-prep-indigenous.html>).

Characteristics of the Student Body

Overview

Marsden SHS is the comprehensive secondary school of choice for students in Logan City. ABS Data describes the community as being in the low socio economic category. The region is also characterised as having a community demographic comprising a relatively low socio-economic populous and an above average unemployment rate compared to other areas of the State. Families work in a broad cross section of occupations. The Logan region is one of Queensland's most rapidly expanding with substantial residential population growth over a relatively short period of time. This growth is predicted to continue and will be stimulated further through infrastructure developments proposed in the Queensland Government South East Queensland Infrastructure Plan and Program 2005 – 2016.

A disproportionately high level of the working population engages in work outside the region. These issues have impacted on young people within the community and present significant challenges to achieve work and training outcomes with local industry – generational unemployment and poverty is a real issue. Marsden SHS is the largest secondary school operating within the Logan district of South East Queensland, with a student body of approximately 2100. Marsden SHS is a comprehensive coeducational (boys and girls) state high school offering an extensive range of academic, vocational, cultural and sporting programs including Schools of Excellence in Rugby League, Football, Basketball and Girls Touch. Marsden SHS also offers an Exceptional Learners Program for all academically gifted students.

Average Class Sizes

The following table shows the average class size information for each phase of schooling.

Year 4 – Year 7			
Year 8 – Year 10	24	24	24
Year 11 – Year 12	19	21	21

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

Curriculum Delivery

Our Approach to Curriculum Delivery

The school offers a broad range of Queensland Curriculum and Assessment Authority subjects and Vocational Education opportunities.

In the Junior schooling curriculum, the accent is on providing all students with a broad education. The focus is on relationship building and cooperative learning skills necessary for Senior Schooling subject suites. 2015 saw the introduction of the AVID program in Yr 7, with Marsden SHS the only Queensland school offering this outstanding program with a proven record of success in developing academic performance in students. In 2016 this program has continued to grow, with students from Yr 7-10 engaged in activities through the AVID program.

Year 7, 8 & 9 students study a set course with specialisation in two extension electives + 70min extra English and Maths each week (4 x 70mins in total each week for both)

Year 10 is the commencement of the senior school where students can choose four elective subjects which will transition them for a learning pathway through the senior school

Year 11 and 12 students are offered an extensive range of subjects to allow individualised learning pathways to be developed. These learning pathways are linked to each student's post school options.

Language Other Than English (LOTE) subject offered is Mandarin Chinese.

Specialist classes are offered for Music, Mathematics, Science, Rugby League, Football, Basketball and Touch.

Interschool sport is available for students in all year levels with Year 7, 8 and Year 9 sport on Tuesdays and Year 10, 11 and 12 sport on Wednesdays.

Co-curricular Activities

One of the unique things about Marsden SHS is the variety of activities students can participate in. Whether you are into sport, music, drama, science, debating – our school can cater for your needs and interests:

- Schools of Excellence – Academics, Rugby League, Football, Basketball and Girls Touch
- Debating, Academic Competitions, OptiMinds, Arts Showcase, Multi-Cultural Concert, Marsden on Display Talent Quest
- Camps and Trips eg NASA and China Trip
- Instrumental Music is offered (percussion, strings, woodwind, brass wind).
- School Based Traineeships and Apprenticeships, Work Education & Work Experience
- Active Student Leadership Program MAD @ Marsden in conjunction with Bankwest

How Information and Communication Technologies are used to Assist Learning

Marsden SHS is completely networked and wireless with a multi-media laboratory, six high-tech computer labs and mobile laptop labs. The current student / computers ratio is 1:1. While we will continue to improve this ratio, the emphasis will now be on increasing integration as a learning tool. Focus for the future will be on expansion of digital pedagogies and use of tablets (such as ipads) in classrooms.

Social Climate

Overview

The School enjoys generous community support and families are supportive of the school's high expectations culture as it relates to Code of Dress and Code of Behaviour - we believe that everyone is responsible for their own behaviour and makes choices about appropriate behaviour. Hence, our school's behaviour plan is based on a positive approach to behaviour and proactive programs. All members of the school community are expected to conduct themselves in a lawful, ethical, safe and responsible manner that recognises and respects the rights of others.

Although we set rules to provide order and effectively manage large groups of people, rules also play a vital role in students' learning. Setting rules and helping students follow them is part of the longer-term aim of helping young people to learn self-discipline and respect for others and to take responsibility for their actions. Our school rules are based on our core values:

PERSISTENCE, PASSION, PRIDE and aim to make students take increasing responsibility for their own behaviour and the consequences of their actions. Consequently, we enforce clear standards of academic and social behaviour where teaching and learning rights are promoted and protected. At the heart of our school's positive climate is the preservation of everyone's fundamental rights. Essential to effective learning at Marsden SHS is a safe, supportive and disciplined environment that respects the following RIGHTS:

The rights of all students to learn

The rights of teachers to teach

The rights of all to be safe.

As a community we are aiming to create a safe, supportive and disciplined learning environment that is:

Violence Free – hands off other people and their property

Harassment Free - address and target bullying behaviours in a constructive manner

Smoke, Alcohol & Drug Free – keep drugs, alcohol & smoking out of the school environment

The welfare and well-being of our students is a high priority at Marsden SHS. The care of students is, in the first instance, the responsibility of the individual classroom teacher. If a problem or issue cannot be solved at this level, it may be referred to the Heads of Department, Deputy Principals, Executive Principal, Guidance Officer, Special Needs or Learning Support staff, depending upon the specific need. Parents may contact the Head of Department or other staff listed in the Prospectus on the matter of a welfare issue at any time. It is important that all children feel engaged and safe in our school environment to ensure they have the best possible chance to achieve to their maximum potential. We need to be informed if all is not right. Students will be supported in their learning through government and community agencies working closely with the parents/caregivers, teacher/s and support personnel:

- Parents
- Teachers
- Heads of Department
- Head of Special Education Services
- Teacher Librarian
- Administration Staff
- Guidance Officer
- School Chaplain
- Student Liaison Officer
- School Based Police Officer
- School Based Youth Health Nurse
- Youth Support Coordinator
- Career and Transition Support Staff
- Advisory Visiting Teachers
- Youth Pathways Advisor
- Student Engagement Officer
- Student Support Services Staff
- Community Education Counsellor

Marsden SHS offers a comprehensive and diverse range of specialised student support services including a Special Education Program (SEP) catering for students with disabilities, specialist Behaviour Management support and a large Learning Support Unit.

Marsden SHS has a diverse student population including 157 Aboriginal & Torres Strait Islander students who are supported by a Community Education Counsellor and Teacher Aide.

Parent and community engagement

Through the Parents & Citizens' Association we encourage active parent involvement in our decision-making processes. We strive to develop positive and caring interpersonal relationships between students, teachers and the community. The Parents' and Citizens' Association meets on the first Wednesday of each month at 7.00 pm in the school's Administration Block (Muchow Road entrance). The Parents & Citizens' Association serves: (a) as a forum for discussion and feedback about the school and its operations and (b) to provide students/school with resources not supplied by the Department of Education. It is vital that parents make the Parents & Citizens' Association their own. It is a great opportunity to get directly involved in the school and a great way to get to know the Administration team and teachers of the school. Parent volunteers are encouraged to participate in school life. The Parents and Citizen's Association manages the school canteen and uniform shop. The school holds both formal and informal interviews where parents and teachers get the opportunity to meet each other and discuss the progress and performance of a student. The school holds two parent/caregiver reporting evenings each year. However, a parent does not have to wait until Parent/Teacher evening to talk with teachers - any mutually convenient time will do. Please do not hesitate to contact the school as soon as you feel there is a need. Parent and caregiver support and the nurturing of positive caring and connected relationships at home, with clear rules and boundaries being established, can be one of the most important contributing factors to a child's success at school. Parents, in partnership with teachers, play a vital role in shaping our young people to become active, positive and productive citizens, who take responsibility for their own learning and behaviour, in their ever-changing life roles as family, community and workforce members.

Respectful relationships programs

The school has developed and implemented a program or programs that focus on appropriate, respectful and healthy relationships.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2014*	2015**	2016
Short Suspensions – 1 to 5 days	693	881	878
Long Suspensions – 6 to 20 days	16	56	51
Exclusions	15	34	33
Cancellations of Enrolment	13	10	11

* Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

**From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

Environmental Footprint

Reducing the school's environmental footprint

Marsden SHS is in the process of working with the entire school community to develop proactive and sustainable strategies to continually improve its environmental outcomes.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2013-2014	626,782	45,373
2014-2015	649,189	27,805
2015-2016	692,700	3,853

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

School rolls are marked during Connect class and every teacher marks a class roll for every lesson using the electronic ID Attend system – the school's two fulltime Engagement Officers work with the Deputy Principal's and Year Level Heads of Department to follow up on each and every student – every student is individually tracked and monitored. Letters are generated after three days of unexplained absences and sent home to families warning them of attendance requirements.
