EXCEPTIONAL LEARNERS PROGRAM

WHAT IS IT? ELP Provides accelerated learning opportunities for students who display an insatiable appetite for learning; who work effectively as part of a team and are highly motivated with strong academic results.

HOW ARE STUDENTS SELECTED?

Enrolment into ELP is very competitive and applicants for ELP go through the following process:

1. Expression of Interest submitted to the school.
2. School reviews EOI's and will shortlist students for interviews. You will be contacted by the school if your child has progressed to the interview stage.
3. Interviews carried out.
4. Student performance in interviews will be assessed by the school. The school will notify as to whether the student has been accepted into ELP.
