

16<sup>th</sup> February 2022

Dear parents and carers

As you may be aware, a confirmed case of COVID-19 has been detected in our school.

Therefore, I remind you to:

- monitor yourself and your family for [COVID-19 symptoms](#)
- stay home if displaying any symptoms or feeling unwell.

If your child is unwell, please take them to a Queensland Health [testing clinic](#) where they will be prioritised for a free rapid antigen test (RAT).

If you, your child or a household member tests positive to COVID-19, please follow [Queensland Health guidelines](#) for reporting the test result, isolation and close contacts.

If students become symptomatic while at school, you will be contacted and asked to collect them. You will also be provided with a free rapid antigen test (RAT) to administer at home.

More COVID-19 related information is available at [www.covid19.qld.gov.au](http://www.covid19.qld.gov.au).

Regards,

Andrew Peach  
Executive Principal
