Student Instructions:

When choosing your subjects you will choose two electives and two elective preferences. You must choose a History, English, Math and Science option across the four core lines. You will swap between History and HPE across the year.

Only choose an excellence program if you are currently participating in this. If you are in an excellence program, you MUST choose History on line 2. Then choose your Science, Math and English across the other 3 core lines. If you would like to trial for an excellence program, see the coordinator.
