Please choose one subject from each line below. OP eligible subjects are indicated by an asterisk. Please choose 1 subject from each of the six subject lines. Subjects flagged with an asterisk are Authority Registered or Vocational subjects. These subjects provide credit for the QCE, however they are not considered in the awarding of an OP.

Students and parent/guardians should be aware that, in the case of insufficient numbers of students choosing a subject or an over-subscription of a subject, it may be necessary to consider a student's alternative subject preferences. Therefore, students need to choose 2 additional preferences for this purpose.

Information Processing & Technology (IPT201), Economics (ECO201) and French (FRE201) are being offered as Virtual Schooling Subjects (VSS) and will be delivered via Education Queensland's online learning environment.
